“ That's some truly sad news. I initially met him back in 1997 when I went to my first SDCAC convention. Over the years Barry was one of my favorite people in the club. I was so impressed with how well he ran his Michigan chapter I even joined their chapter as well.

I knew when he took over the national SDAC chapter a few years later we were in solid hands and he truly gave it his all to keep the club rolling.

His work here made a huge impact on all of us and may Carroll & Lido welcome you to the next chapter...

“ So very sorry to hear of Barry's passing. What a fantastic person we have lost! Blessings to his family and many friends. One of my favorite memories will always be Barry walking out into the hotel hallway in Hagerstown because the A/C System sucked in most of Alan's tire smoke from the parking lot and set off the Smoke Detectors. As soon as Barry realized it was Tire Smoke, he knew what happened! I am now sure Barry, Bill and Carroll are Bench Racing and sharing stories up in Heaven! God bless you Barry and thank you for everything you did for us!

“ When you join a new group you are a bit shy or apprehensive. That was me at a SDAC I attended in Detroit. Barry fixed it; introduced me around and in handing me off to other SDAC members for further introductions, their respect for him ensured that they made me feel welcomed into the SDAC family. Won't forget it, ever. An earnest kind generous man.

“ Barry was a truly GREAT guy. He's helped me on more than 1 occasion with a part needed in an emergency, and kept me posted on SDAC events.
You will be missed Barry

“ Barry was a great man and will be missed in the Shelby Dodge community. The club would not be where it is today without him.
Prayers go out to his family and friends
Godspeed Barry!

“ I've never met Barry in person but have great admiration and respect for his dedication to all things Shelby Dodge. He will be sadly missed.
Godspeed Barry and rest in peace

Randy Hicks - July 23 at 11:54 PM

“ My wife and I first met Barry at SDAC 17. His dedication to the club is one of the biggest reasons it is still going strong today. Over the years, we hung out with him at SDAC events and also a few times at the Woodward Dream Cruise. As Barry always said, the events are really about the people, and not the cars. Thanks for all the hard work Barry.

“ Very sad and unexpected news. Thank you for all your tireless work and dedication to our hobby and club.
And also for your years of service to our country protecting our freedom.
Prayers go out to your family and friends. May you rest in peace my friend. I will miss our chats however infrequent they were.

“ This is quite a shock, to hear of Barry's passing. Much credit Has to be given for a man that fortified the Shelby dodge club. He is the reason the club is what it is today. My condolences go to his family, we are all thankful to have known him

“ It was heartbreaking to hear of Barry's passing. We have been friends longer then I can remember. The love of cars, not just SDAC, brought us together originally. We shared some incredible conversations and disagreements, but in the end there was always respect. He helped me more then he knew at Powercurve. He keep me focused, taught me & in the same vein willing to learn from me. Yes, he was 14 years my senior, but none of that mattered. It was just more experience for him to convey to those willing to listen. Although we didnt talk much of late, the conversation always picked right up like no time had past. That type of relationship is real and will be truly missed. God bless you Barry, say hi to Carroll & Lee for us.

“ My condolences to Barry's family and friends, I met Barry in 1996 when i joined the Shelby-Dodge Auto Club, just a kid at the time. His dedication to the club and its members over the years was second to none. Here's a picture i found of him handing out an award at one of the conventions like he did for many years. Rest In Peace Barry. Chris Hadre & Family.
