“ It all happened so fast. We are all saddened by losing you in this lifetime. We take comfort in knowing you are now resting in eternal peace. We are glad that we were able to provide support and surround you with love during your last moment with us before you left for heaven. You will be missed. Now heaven will get to enjoy your booming laughter. We will take care of Gary and Debbie including Bella.

“ Mrs. Wilkins,
It hurts to know that you were taken away from everyone so soon. May your spirit and soul rest in peace as you are free from all pain and with our heavenly Father. I hope you will visit your loved ones often and continue to watch us and protect over us as we adjust to this new life.

“ I remember the first time I cooked for you and the family on Thanksgiving in Virginia. I remember our conversation and laughter everytime me and Karla come down to visit. It didn't hit me that you are actually gone until Bella's first day in her new home. She is in good hands and I will always protect her. I pray and hope to the universe you are resting peacefully and happy. You will be missed.

With love,
Newton

“ Gone too soon... One of the nicest, friendliest person I know. She could strike up a conversation with anyone she meets. I can't believe you were taken away so suddenly! I'm especially gonna miss taking you out for lunch, I enjoyed those times we had. And whenever we take you out to the movies or the Farmer's Market. We hope that you are resting in peace... Love Always~ your daughter-in-law, Maria♡

“ It still hasn't made sense why this day had to come so soon... I still find myself picking up the phone or thinking I should call mom because I haven't heard from her and need to tell whats going on but I can't because you are no longer here. Hopefully you are at peace now, tell daddy I said hi & I miss him so much too! I will try to continue to improve myself so y'all can be proud of me. XOXO ~your daughter~ P.S. Terry said he wish he could have been there with me to tell you bye. But its not bye, it's I'll see ya later mom.
